To date, I have not received anything from the CAG, however Ed Smith sent this to the CAG with a CC to us.

Dear West Lake CAG,

MCE attached questions for the EPA, which will hopefully be answered at the next CAG meeting. I did not see an email with a deadline for questions, so I hope it's not too late (maybe I missed it). Also attached are supporting documents related to question #3.

Best regards,  
Ed Smith
